Possible solution of short descriptions:

In this photo we see the Capitol in Washington DC. We come upon a beautiful sight of one of the major sights in the capital of the USA.

In the middle you can see the white Capitol building.

In the top left-hand corner we catch a glimpse of the American flag.

In the foreground there are tourists and a typical sightseeing bus. Some of the tourists are moving towards the Capitol building.

Behind the bus and the car in the bottom left-hand corner the photo is dominated by trees. The general impression one gets is that of a wonderful autumn / fall day in the capital of the United States.

In photo number 2 we come upon an ice skating rink which is situated in New York city in front of the Rockefeller Center. On the left we see the famous Prometheus Statue. In the background there are flags from all over the world. In the centre we see four people ice skating.
