

# Picture dictation with a partner

(**information-gap** activity – STT ↗)

- Finding a new partner: Line up according to **month** in which you were **born**.
- **January** is on the **left** – **December** on the **right**.

- One is **A** one of you is **B**.
- Partner **A** **begins describing** his/her **picture** (picture 1). Partner **B** **listens** and **draws** / completes his/her picture (picture 2).
- Then swap roles – partner **B** **describes** (picture 1) and **A** is drawing (picture 2) ...
- **different colours for worksheets** – easier for instruction; for more activities in order to ↗ **STT** see reader or moodle

**A**

Picture 1  
(complete)  
You describe

Picture 2  
(incomplete, **B**  
describes it  
and you draw)

**B**

Picture 1  
(complete)  
You describe

Picture 2  
(incomplete, **A**  
describes it  
and you draw)
